info@bendheim.com

Maintenance:

Bendheim glass is easy to maintain. We suggest cleaning with warm water and a lint free cloth (terry cloth). Conventional non-abrasive glass cleaners may also be used.

### Testing:

Bendheim laminated safety glass meets the requirements for ANSI Z97.1 & the Consumer Product Safety Commission CPSC 16FR, Part 1201 – Safety Standard for Architectural Glazing Materials.

## **Options & Customizations:**

- Additional colors available, including Timeless White, Soft Powder Pink, Charcoal Grey, Bronze, and Beige, as well as a wide range of custom colors
- Can be customized with a wide range of textures and etched patterns

Have a project requiring further customization? Please contact your local Bendheim representative to discuss your unique project and vision.
